KENZEN® CLEANSE & DETOX

PRODUCT CODE: (US)16008 | (CA) 13008

LIVER HEALTH

Kenzen® Cleanse & Detox contains a blend of 100% organic ingredients formulated to help support the liver, an organ that performs more than 500 functions and maintains 2000 plus enzyme systems.*

Cleanse & Detox supports the three major functions of the liver:

1. Cleansing and destroying toxins that come from wastes produced by the body.*
2. Synthesizing and metabolizing carbohydrates, lipids and proteins as well as producing coagulation factors and bile secretion.*
3. Storing fat-soluble vitamins A, D, K and E in addition to glycogen, making energy available in the form of sugar when the body needs it.*

- High in antioxidants, roasted Organic Chicory Root helps increase the flow of bile through the liver* to help feed digestive flora in the intestines and serve as a mild laxative.*
- Turmeric extract addresses bloating, gas, water retention, kidney and liver dysfunctions.*
- Milk Thistle extract with the flavonoid Silymarin has been shown to help decrease oxidative stress.*
- Bupleurum extract is best known for its ability to help detoxify for the liver and address indigestion, diarrhea and constipation.*
- Adaptogens in the form of Schisandra and Ashwaghandha help defend the liver from toxins* and help the body remove excess waste.*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

RECOMMENDED USE

Three (3) capsules daily, one 20 minutes before each meal. If desired, increase the daily serving to 3 capsules taken twice daily before meals until desired effects have been achieved, then reduce to 3 capsules daily for a maintenance program.

If you are allergic to any of these ingredients, or are pregnant or nursing, consult a doctor before taking nutritional supplements. As with any dietary supplement, keep out of reach of children. Store in a dry place at room temperature.
