

KENZEN LACTOFERRIN® 2.0 30 CAPSULES

PRODUCT CODE: (US)15700 | (CA) 13700

GUT HEALTH AND BALANCED IRON LEVELS

Lactoferrin is a protein whose main biological function is to bind and transport iron, an essential mineral that helps hemoglobin carry oxygen from the lungs to the rest of the body.

Providing a superior delivery system to support better utilization and balance of iron in the body.* Lactoferrin 2.0 is naturally iron-binding, which studies have shown to have a positive effect on iron absorption, blood iron levels and digestive issues.*

Our formulation contains organic Inulin, organic Ginger, organic Turmeric and organic Rhodiola, that works together with Lactoferrin to produce antioxidant effects and anti-inflammatory properties for overall health.*

- Superior delivery system for iron
- Promotes good gut bacteria* to support the G.I. Tract
- Helps transport oxygen* and enrich red blood cells*
- Antioxidant effects* and anti-inflammatory properties*
- Non-GMO, Lactose- and gluten-free
