

KENKO PERFECT LINK® II

PRODUCT CODE: 19114

JEWELRY THAT SIMPLY LOOKS GOOD ON EVERYONE

The Kenko Perfect Link® II features polished gold-plated stainless steel with high-quality neodymium magnets throughout the length of the necklace.

Designed to be equally attractive on everyone, this versatile necklace suits any casual or formal occasion. Polished to a glossy finish, the necklace has enough weight to appear substantial but is comfortable to wear. It is made with the same material used for surgical instruments.

- Advanced magnetic technology to replicate magnetic field of the Earth
- Hypoallergenic
- Fine craftsmanship
- Exclusive styling

GAUSS RATING

800 gauss

MATERIALS

316L stainless steel, neodymium magnets

CARE INSTRUCTIONS

Do not immerse in water – remove before bathing. If wet, dry with a soft cloth. Keep away from chlorine bleach, swimming pools and spas. Use mild detergent and warm water to clean, or have cleaned professionally.

WARNING

If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not use or wear magnetic products. Women in the first trimester of pregnancy, or anyone who has a health problem should first consult a physician before using magnetic products. Do not place magnetic products in direct contact with magnetically sensitive items such as watches, audio/video tapes, credit cards, portable electronic equipment, etc.

WARRANTY

1-year limited warranty
