

## KENKO POWERBAND® NECK

PRODUCT CODE: 19084

### WEARABLE NECKLACE, IDEAL FOR SPORTS, THAT MOVES WITH YOU

The Kenko PowerBand® is made with a lightweight silicone rubber core combined with ceramic reflective fiber, tourmaline and static magnets. Together they help create an overall sense of well-being.

Versatile in its construction, two or more Kenko PowerBand necklaces can be connected by their clasps to create a double necklace or even a belt.

- Magnetic technology helps replicate the magnetic field of the Earth
- Ceramic reflective fibers absorb heat from our bodies and produce a warming effect
- Tourmaline gives off electrons that may create a calming effect
- Versatile connectors
- Easy wash and dry
