

KENKO MSTEPS®

PRODUCT CODE: 20214 - L - SIZES 7 TO 12 | 20213 - S- SIZES 5 TO 9

MESSAGE YOUR FEET WHILE WALKING

Kenko mSteps® feature energizing massage nodes on insoles that offer extraordinary comfort and the refreshing sensation of a foot massage.

Repeated action creates a dynamic magnetic field. Shock-absorbing materials promote support while walking, standing or sitting all day long. Ferrite magnets create raised surface points that intensify the magnetic field to produce a flux path that extends farther from the surface. Multiple angles provide 100% magnetic coverage while a low-density and high-density polyethylene combination make them last for an exceptionally long time

- DynaFlux® Magnetic Technology (U.S. Patent No. 9,265,966)
- Ferrite magnets intensify magnetic field
- Shock absorbent
- Durable and long-lasting

GAUSS RATING

900 gauss

HOW TO USE

Trim to fit if necessary. Insert into shoes

DIMENSIONS

Height 7.5 in/ 19 cm, Width 6 in/ 15 cm

CARE INSTRUCTIONS

Surface clean with a damp cloth moistened with a mild detergent or hand wash in warm water with a mild detergent. Air dry.

WARNING

If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not use or wear magnetic products. Women in the first trimester of pregnancy, or anyone with a health problem should first consult a physician before using magnetic products. When cutting insoles to fit, trim carefully and remove sharp edges or projections. If discomfort or irritation occurs, discontinue use and consult your medical professional.

WARRANTY

1-Year Nikken standard limited warranty
