

KENZEN® JOINT (US) 90 CAPSULES

PRODUCT CODE: (US)15141 | (CA) 13141

JOINT MOBILITY

Kenzen® Joint is an advanced formulation that contains high potency CM Complex to nutritionally support collagen, bone and connective tissue repair.*

CM Complex is cetyl myristoleate combined with glucosamine, methylsulfonylmethane and compounds from the boswellia plant, which has long been used in Ayurvedic and other complementary practice.*

Our CM Complex is endorsed by the estate of H.W. Diehl, the National Institutes of Health researcher who developed cetyl myristoleate.

- Natural surfactant and lubricant properties of CM support healthy joint function*
- Superior bioavailability* of our CM Complex that remains liquid at room temperature
- Rapid absorption*
- Supports smooth joint movement and connective tissue repair*
- Desired results may occur over consistent usage
