

## KENKOAIR PURIFIER®

PRODUCT CODE: 1441

### TO BREATHE IS TO LIVE

Clean, pollutant-free air all year round. The Kenko Air Purifier improves your indoor air quality to a higher level with an ultra-clean three level filtration system and negative ion technology - better for you and our environment.

The three level filtration system captures up to 99.95% of 0.3 micron particles in the air. A pre-filter acts as a physical barrier or trap to remove large particles, an activated carbon absorption filter removes airborne gas and solution molecules and HEPA filter helps to remove ultra-fine particles such as airborne allergens. Negative Ion Technology replicates the air found in nature's setting such as by a lake or a forest bringing clean, refreshing air.

- Provides clean, pollutant free air all year round
- Negative Ions replicate air found in nature's settings
- Captures up to 99.95% of 0.3 micron particles in the air
- Energy Star qualified and Ozone-free operation (non-toxic)

### COVERAGE

313 sq. ft./29 sq. m. 55 watts

### HOW TO USE

The KenkoAir Purifier® may be set to operate on automatic mode or switched on at will.

### FILTER REPLACEMENT

Clean the reusable prefilter and replace the other filters every six months.

### ENVIRONMENTALLY FRIENDLY MATERIALS:

Polyurethane, polypropylene, activated carbon, microfiber, ABS plastic: all recyclable.

### WEIGHT

13.9 lb/6.3 kg

### DIMENSIONS

14.8 x 22.6 x 10 in/37.5 x 57.5 x 25.5 cm (Specifications and appearance are subject to change without notice).

### WARRANTY

Standard three-year limited warranty on fan motor. General parts and labor warranted for one year.
