

KENZEN® IMMUNITY (US) 60 CAPSULES

PRODUCT CODE: (US)1512 | (CA)1368

IMMUNE SYSTEM SUPPORT

Kenzen® Immunity is a synergistic combination of 14 different mushrooms, each carefully chosen for its specific profile of compounds and relationship with immune response.*

Each of the 14 is structurally different at the molecular level, with six strains exclusive to Nikken and developed to the highest concentration of beneficial compounds. Grown under laboratory conditions to optimize their beneficial ingredients,* the formulation includes mushrooms rich in alpha and beta glucans, specialized sugars that the human body cannot produce on its own.
